

## **Our Friend, Jesus**

**Hello, friends. Welcome to another day of God's grace and power. You are alive! You are a miracle! In our journey with God, often we become discouraged or sad. People may disappoint us but there is One who will never disappoint, never leave, never stop being our Friend. He is our Savior, the Lord Jesus Christ. Think of this thought from a well-known little lady who called herself the "messenger of God."**

**"Closer than father, mother, brother, friend, or lover is the Lord our Savior." Desire of Ages, page 304**

**What a thought! We are never far away from our Lord. When your heart is overwhelmed, remember**

**Psalm 61:2 "From the end of the earth will I cry unto Thee, when my heart is overwhelmed. Lead me to the rock that is higher than I."**

**Lord Jesus, help me today to look to YOU for my source of strength, comfort and love. And may these words be of help to another of Your precious children. In Jesus name, Amen**
